THE CONTEMPLATIVE CUVÉE

The First Edition comes from 85% American Oak, 15% first fill Oloroso Sherry casks.

- COLOUR** Warm honey / golden syrup.
- BODY** Medium weight, the texture is smooth but powerful.
- NOSE** Distinctive and intriguing, it opens slowly, then picks up beautiful aromas of fresh flowers, heather and yellow gorse. Wait a little and you will find fudge, crème brûlée, dried banana and a snap of sherry.

PALATE A real honest old style whisky flavour is immediately apparent. Lots of sweet malt, digestive biscuits, butterscotch, tropical fruit.

Lashings of oak and a sprinkle of sea spray and dry seaweed remind you of its 15 years maturing by the ocean. Islay without the hammer. Full of style and sophistication.

FINISH It lingers gently on the palate.

FOR MAXIMUM ENJOYMENT:

Add some spring water (up to 50% for a smoother drink) to release the full flavours and bouquet.
