

Bruichladdich Links - Turnberry

14 Years Old

Distillery of the Year 2001 & 2003 - Malt Advocate

TASTING NOTE

Colour Luminous Golden Nectar.

Body Unbelievably fresh, lively and vibrant with a slinky glycerine texture.

Nose With the mix of Bourbon, Port and Pedro Ximinez casks it has as disarming a bouquet as you will find in single malt. The super concentrated PX casks bring sweet juicy fruit aromas which meld beautifully with the vanilla & sweet oak from the bourbons. Add a hint of plummy rich Port, edged with cherries and it becomes a finely layered multidimensional experience, beautifully underpinned by the classic toasted aromas of hand made single malt. Absolutely fabulous!

Palate For such a complicated spirit the balance between oak, malt and both dark and light fruits gives a uniquely satisfying single malt experience, and it's the malt that is the clear winner on the palate. The velvety grape flavours gently add their nuances of white raisins & dates giving an exciting portfolio of flavours seldom found in the malt today.

Finish An exciting and enchanting experience, the aftertaste is lovely. Sweet & oaky with the fruit lingering low on the lips. Sweet dreams are made of this!
